

DATA PROTECTION ACT

The information you provide on this form will be used for the purposes of assessing your application as a volunteer. If you are selected as a volunteer the information you have provided on this form will become part of your volunteer record. Your personal details will be treated as confidential and kept for no longer than is necessary. Some of the information will be held on a computer database. Manual records for unsuccessful applications are held by us for six months. I am aware that the information I have given will be treated confidentially and consent to it being used and stored as stated
